Michael Moran's McDynamo was a force on the NSA circuit from 2001-2007, winning 15 races and \$1.3 million, still an NSA record. Pictured here in 2006, the three-time Eclipse champion is on his way to a fourth (of five) consecutive victory in the American Grand National (G1). Trained by Sanna Neilson, the "King of Far Hills" was honored in 2024 by the Far Hills race committee with a special McDynamo Maiden Sweepstakes, an added money race worth \$70,000.
